PRAYER BEFORE MARRIAGE

Lord God,
source of all love,
your providence has brought us together.
As we prepare for the sacrament of marriage
we pray for your grace,
that, strengthened by your blessing,
we may grow in respect for one another
and cherish each other with a sincere love.
Abide in us, guide our steps,
and confirm our hearts in his love,
now and for ever.
Amen.

PREPARING FOR MARRIAGE

Marriage is a sacrament of the Church, given by God, and the decision to marry is one of the most important choices of anyone's life.

The Church teaches that marriage is a faithful and life-long union between a man and a woman, established by God and ordered for the mutual welfare and support of the couple, and as the context for raising children. When asking to be married in the Catholic Church you are accepting this Catholic understanding of marriage:

In view of the importance and dignity of marriage, the Bishops require a minimum of **six months' notice**, so that the couple can make proper practical and spiritual preparation.

A necessary part of this preparation is attendance at a pre-marriage course. The priest with whom you are making your marriage arrangements will be able to offer you advice about marriage courses.

If either party has previously been in any form of marriage or partnership, whether civil or religious (in any Christian denomination or other faith), it is essential that this is made known to the Cathedral Chaplain with whom you are in contact at the earliest opportunity. No dates should be booked or arrangements made until he has advised how best to proceed.

MARRIAGE PAPERWORK

CIVIL LAW DOCUMENTS REQUIRED

The civil law lays down a minimum age of 16 for marriage. Parental consent is needed between the ages of 16 and 18. No marriage can take place in the Cathedral or any other Catholic church without a Marriage Schedule document issued by the local authority Registrar. You must apply for this at your local Register Office; after the statutory period of notice, the document will be given to you and must be brought with you to the Cathedral.

1. Seven days' residence within the Registration District is necessary prior to giving notice of marriage to the Registrar.
2. Each party to the marriage must give notice of their intention to marry, in person, to the Superintendent Registrar of the Registration District where they reside. Both go to the same Register Office if they live in the same Registration District. A fee is payable for each notice. The fee may be higher if one of the parties is from outside the EEA or Switzerland.
3. The Superintendent Registrar may issue the Marriage Schedule 28 full days after notice has been given. Please bear in mind that for those from outside the EEA or Switzerland, or with limited or no immigration status in the UK, up to 70 days' notice may be required.

When you go to give notice of marriage at the Register Office, you need to take along a document to prove your name, age and nationality (eg a civil birth certificate or passport) and proof of your address (eg a valid driving licence, a bank statement from the last month, or a utility bill from the last 3 months). If you are under 23, your birth certificate must be produced.

Most of the Cathedral Chaplains are 'Authorised Persons', able to witness the marriage and sign the Schedule document. After the marriage the Schedule is returned to the local authority Registrar, who will issue the Marriage Certificate, and any additional copies required, within a fixed period. If proof of the marriage is required before the Marriage Certificate is issued (e.g. in case of international travel for a honeymoon), this should be requested in advance of the marriage from the Registrar. Please note that from May 2021 Catholic churches are no longer able to issue copy Marriage Certificates, for which application must be made online to the General Register Office or at the local Register office. The Cathedral continues to record marriages in its own Catholic Marriage Register.

If you wish to marry a non-British subject you are advised to contact the relevant Embassy or Consulate, or to get in touch with the Immigration Advisory Service, 70 Borough High Street, London SE1 1XF. Tel: 020 7989 0005.

CHURCH LAW DOCUMENTS REQUIRED

For a Catholic:

1. A recent **Baptism Certificate**, issued within six months of the date of the wedding. Older or original certificates cannot be accepted.
2. A **Confirmation Certificate**, if you have been confirmed.
3. **Permission to marry** from the Parish Priest of the parish in which you are currently resident, if you do not live within the Cathedral parish.
4. A **Statutory Declaration of Freedom**, signed and witnessed by a Commissioner of Oaths (ie a solicitor). The priest will be able to provide you with the necessary form.

For a non-Catholic:

1. If you have been baptised, a copy of your **Baptism Certificate**. In this case there is no six month rule, so the original copy will suffice.
2. A **Statutory Declaration of Freedom**, signed and witnessed by a Commissioner of Oaths (ie a solicitor). The priest will be able to provide you with the necessary form.

For a non-Christian or a non-believer:

1. A **Statutory Declaration of Freedom**, signed and witnessed by a Commissioner of Oaths (ie a solicitor). The priest will be able to provide you with the necessary form.

Whatever your religion, if one or both of you is under 18 you must obtain a letter from your parents giving you permission to marry. The person you are to marry must be mentioned by name.

DISPENSATIONS & PERMISSIONS

If one of the parties to the marriage is a non-Catholic baptised Christian the priest will need to obtain **Permission for a Mixed Marriage** from the bishop of the Catholic party.

If one of the parties is not baptised in any Christian denomination, is a member of another faith (e.g. he or she is Jewish, Muslim, or Hindu), or has no religion, the priest will need to ask the bishop of the Catholic party for a **Dispensation from Disparity of Worship**.

Whenever a Catholic marries someone of another denomination or faith, or of no religion, the Catholic is asked to sign a promise to continue living their own faith and to do all in their power to have children of the marriage baptised and brought up in the Catholic Faith. The non-Catholic party must be made aware of this and must be agreeable to the Catholic party signing such a promise.

In special circumstances a **Dispensation from the Impediment of Canonical Form** can be given by the bishop to permit a marriage to take place in a Christian church that is not Catholic.

Other Dispensations are required for intended marriages between first cousins, or other close family or blood relations. The priest will be able to provide more information and, if needed, will help you to obtain these.

Please note that it may not be possible to provide a confirmed date for your wedding service until the Cathedral is satisfied that all paperwork, Church and Civil, is in good order.

CHECKLIST OF DOCUMENTS REQUIRED

- Baptism Certificates
- Confirmation Certificates
- Statutory Declarations of Freedom
- Permission for Catholic party to marry outside parish of residence (if applicable)
- Marriage Schedule Document from the Register Office (not two certificates)
- Certificate of, or letter confirming, attendance at a pre-marriage course

MARRIAGE DOCUMENTATION FEES

For all marriages needing the involvement of the Chancery (eg for permissions, dispensations, all marriages outside England and Wales), a Chancery Fee of **£50** is charged. A cheque should be made out by the couple to 'WRCDT'; the Cathedral Chaplain who is assisting with the paperwork will send this, along with the relevant requests or documents, to the Chancery.

The Cathedral charges a fee of **£50** (payable via details on page 7) for preparation of documents for weddings which do not take place at Westminster Cathedral.

PRACTICAL INFORMATION AND SCHEDULE OF FEES

INVOLVEMENT OF CLERGY

It is usual that one of the Cathedral Chaplains officiates at all weddings in the Cathedral. If you would like to invite another Catholic priest to participate in any way, please discuss this at any early stage in your planning with the Chaplain with whom you are in contact.

LIVE-STREAMING

The Cathedral now has its own live-streaming feed, which you may use via the Cathedral website if they wish. If live-streaming takes place in the Cathedral there will be a £500 fee and the Cathedral must be notified no less than 4 weeks before the wedding. Please note if the Cathedral musicians are taking part in the service this will also incur the recording cost.

PHOTOGRAPHY AND VIDEO RECORDING

Photography is permitted during the service, by a photographer of your choice, as long as he or she operates within reasonable limits, and is sensitive to the sacred nature of the service. A video camera is allowed at a fixed and agreed position in the Cathedral. If the Cathedral musicians are taking part in the service this will incur the recording cost. The Music Department will be able to offer further information when you meet with them.

CONFETTI

You are asked to request that your guests do not throw confetti, rice, or anything similar in the Cathedral, or outside on the steps. Please save it for later in the day elsewhere.

FLOWERS

The priest will be pleased to offer general advice on the sort of floral arrangements that fit well in the Cathedral. The Cathedral recommends Mary Jane Vaughan Flowers (e-mail maryjane@maryjanevaughan.co.uk or phone 020 7385 8400), who know the Cathedral well and we believe they provide a good standard of service. If you wish to use another florist, please discuss this with the priest before making any arrangements.

PUBLIC TRANSPORT

Victoria and St James's Park stations are less than five minutes' walk from the Cathedral. Buses 11, 24, 148, 211 and 507 (towards Victoria) stop immediately in front of the Cathedral on Victoria Street.

PARKING

There is no parking on the Cathedral site. A limited amount of 'pay by phone' parking is in the immediate vicinity. The nearest large off-street car park is on Semley Place, London, SW1W 9QL, about ten minutes' walk from the Cathedral.

ALTERATIONS TO LAYOUT OF CHAIRS, LIGHTING, AND OTHER MAINTENANCE DEPARTMENT USE

The cost of hiring the Cathedral's Maintenance team depends on the nature of the required work. Please ask for details. A charge of £150 is made for cleaning if required.

WEDDING MUSIC

Music in Westminster Cathedral takes place under the supervision of the Cathedral's staff of professional musicians. Many couples wish to include music in their wedding service, and all arrangements for this need to be made with the Music Department.

You are asked to make contact with the Music Department at least three months before your wedding if you would like to have music at the service: please telephone 020 7798 9057 or e-mail musicadmin@rcdow.org.uk. A phone call or meeting can be arranged with members of the Music Department to discuss the options for music at the wedding.

You are kindly asked to note that the Music Department does not allow recorded music (CDs etc) to be played during weddings at Westminster Cathedral.

The Music Department will be able to offer detailed information about the costs of music for your wedding.

REQUEST FOR PAYMENT

Once the arrangements have been finalised, the Cathedral Precentor will issue a Request

PRINTING ORDERS OF SERVICE

If you plan to produce an order of service, it is a good idea to arrange for the printing of sufficient copies for yourselves, your guests, the priest and the musicians, plus a few spares. A proof copy must be provided to the Cathedral Chaplain who is assisting you for his approval before the order of service is printed.

Particularly if some of your guests may not be familiar with Catholic worship, it is important to make sure that everything the congregation is expected to say or sing is printed in the order of service. Though the Cathedral is not able to arrange the typesetting and printing of orders of service, the priest conducting your wedding will be able to offer advice on these matters.

For a Nuptial Mass, we recommend that you include some guidance about what the congregation should do at the time of Holy Communion. The suggested form of wording is: 'If you are not a Roman Catholic or are a Catholic not wishing to receive Holy Communion, you are invited to come forward to receive a blessing. Crossing your arms over your chest will indicate this to the priest.'
